COMPANY PROFILE

WE EASTMAN CAST AND Forge Ltd. pleasure to introduce ourselves as quality manufactures established since 1989. Eastman Cast & FORGE LTD. IS A PART OF Eastman Group which comprises of Eastman Industries Ltd. and Eastman Auto & Power Ltd. with turnover

THE COMPANY ENJOYS Economies of scale with its 44000 sq. yard area, our manufacturing capacity is over 24 million tools per annum. OUR customers in form of competitive prices with a promise of complaint free & delivered on time (C-DOT). Our PRODUCTION FACILITIES include 9 forging lines, an Up setter for wheel wrenches and Press forging machinery from Taiwan for Cold STAMPED SPANNERS. We believe in research, design, engineering, quality testing, packing and then merchandising. To ensure on time delivery we have round the clock power back up through 5 DG Generator sets of 2170 KVA.

Our products by our valued customers in the country and abroad are gladly appreciated which builds the pillars of encouragement to us. Our produce of goods confirms to the international standards and we are successfully exporting them to more than 40 countries worldwide like United States, Russia, South America, Europe, South East Asian Countries, Middle East and Africa.

THE SPIRIT OF
DETERMINATION
AND PURSUIT
OF EXCELLENCE

Eastman brands like **JRSDRIVE** & **EaziTools** are recognized for their superior quality, outstanding performance, safety, productivity and compelling innovating. We have an outstanding workmanship including a dedicated team of engineers and marketing professionals, firm quality control, first-rate quality produce in accordance with international standards (DIN, ANSI), competitive pricing, timely deliveries, customized packing and branding.

We take our Corporate Social Responsibility very seriously, and we are the only company in Hand tools industry in Punjab state which has the state of the art facility of Effluent Treatment Plant and Reverse Osmosis Plant having capacity of 50 KL per day to ensure zero liquid discharge of harmful chemicals along with a Green Area of more than 21000 Square yard.

Eastman's manufacturing and marketing facilities are strengthened by a pool of dedicated, experienced and diversified workforce which competently and successfully implements management system (TQM, 5S, KAIZEN, TPM) in different work departments making Eastman a reliable partner. 'Our people really make a difference.'

Eastman is privileged to be an established supplier to major OEM's in India like John Deere, Eicher, New Holland, Ashok Leyland, Tata Motors Ltd., AMW, Mahindra & Mahindra, Tafe, and Sonalika.

Our hand tools are generally categorized as Wrenches, Plumbing tools, Pliers, Automotive tools, Carpentry tools, Masonry Tools, Hack Saws, Vices, Striking tools, Lubricating Tools, Punches, Allen keys, Screw Drivers, Socket Spanners, Impact Drivers, Bolt Cutters, Leather Tool Aprons.
